### Amazon Adventure

Our journey begins traveling into the Amazon Rain Forest. We will stop at various points along our travels to experience the presence of birds, animals and plants that call this rainforest their home. We will witness the arrival of hundreds of macaws and parrots who come to eat clay at the clay licks to help rid themselves of otherwise harmful toxins that are in their diet. We will be honored with this opportunity to share Mother Earth's abundance and beauty in this pristine area of the planet.

### Sacred Valley of the Incas, Urbamba Valley

The Sacred Valley of the Incas is a valley in the Andes of Peru, close to the Inca capital of Cusco. We will be staying at Inti's Spiritual Center. We will experience the incredible environment of the feminine healing power from the mountains. The next day we will climb the amazingly huge rock stairs to the Inca ruins of Ollantaytambo. In the evening we will participate in a "payment to Mother Earth" ceremony and a sweat lodge.

### Manchu Picchu

Upon rising we will be guided thru the sacred ruins of Machu Picchu by our esoteric guide, Kucho. He will take us deep into the mountain temple's rarely visited areas and even deeper into the culture of the ancient people who inhabited Machu Picchu for hundreds of years. Manchu Picchu is "the solar plexis of Mother Earth". We will also journey along the Vilcanota River and walk into the Mandor Waterfall.

### Lake Titicaca

Our excursion to Lake Titicaca is an opportunity to explore the magical waters of Lake Titicaca and the Uros Floating Islands. These islands, made of Tortora reeds, are home to the Uros people who, according to legend, existed before the sun when the earth was cold and dark (pre Inca times). The islands attract visitors from all over and offer an opportunity to learn about ancient practices and traditions and a chance to admire the simple way of life of the people.

### Gateway to the Gods

We will be guided by World Famous tour guide & author **Jorge Luis Delgado** as we visit the Gateway to the Gods, Aramu Muru, an ancient, multidimensional site that is still a well kept secret from over tourism.

### Guides & Other Activities

We will be guided by incredible shamans and healers. There will be opportunities to participate in private sessions as well as explore local sites and purchase goods from merchants.
